Exhibit Guidelines

■ Audio used in the event

In compliance with the Copyright Act, usage rights for the music (audio) used in the collection event must be processed accordingly.

The JFWO asks that all brands participating in the Amazon Fashion Week TOKYO perform the necessary legally mandated copyright clearances toward this end.

Furthermore, such legal clearances of music (BGM) must be done by each brand, on their own, and report to the JFWO. Please understand that depending on the results of the report, we may not be able to include you in official plans (SNS, live transmissions, etc.). In addition, only if you have used original music and/or have fully completed all legally mandated copyright clearances, will you be able to purchase recorded movies later.

■ Regarding music source for live distribution

During the Amazon Fashion Week TOKYO 2017 A/W, there is a possibility that JFW will distribute live footage of your exhibit.

In such case, additional applications to comply with Japanese Copyright Laws will be needed. ※For information of the Copyright System in Japan:
<http://www.cric.or.jp/qa/hajime/hajime4.html>

We ask that the brand itself make necessary arrangements regarding Japanese Copyright Laws.

For other required legal applications regarding live distribution, we will notify you as details become determined. We ask that you handle each case as they arise.

Precautions

■ Recordings: videos (movies) and photographs (stills)

JFWO will make footage recordings (movie/stills) for the runway shows of brands participating on-schedule.

Details on how you may obtain the movie, will be provided later.

Stills will not be provided, so if you need still photos, please make your own arrangements.

- If you need a photographer, we can introduce one to you.

■ Management, theft, and insurance

- The JFWO will have security staff on the premises during installment, dismantlement, and the show itself to handle security for the venue and items within the venue. However, we can not be held responsible for losses due to acts of nature, theft, misplacement, or damage of items relating to the show such as wardrobes or makeup.
- In order to ensure that damages due to unforeseen accidents do not occur during installment, dismantlement, during the show itself or any time in between, we ask that **each brand make their own management arrangements.**

■ Disposal of trash at the venue

Each brand is responsible for the disposal of their own trash at the venue. (by dividing garbage, the venue will dispose on your behalf)

- Food/beverage related (lunchboxes/drinks) trash – general trash can be disposed of at the venue. Please divide and dispose of at designated locations.
- Construction, decoration related trash - the show host is responsible for disposal (must be carried out). The venue cannot dispose of such trash.
- Congratulatory flowers – congratulatory flowers are allowed, but must be disposed of by the show host, within their time frame. Must be carried out by the host, or collected by the flower shop.

※In the past, there has been a brand that disposed of trash illegally around the venue, which later led to a legal dispute.

If/when wardrobes, make-up tools, trash are left in the venue beyond the time designated by JFWO, JFWO reserves the right to dispose of these at their discretion, and disposal fees will be charged to the brand later.

■ Eating and drinking within the venue

Eating and drinking within/around the venue is **not prohibited, however, if in case a problem should arise, please note that JFWO will not be held responsible for any/all occurrences.**

■ When leaving the venue, please keep in mind that everything must be returned to its original state.

■ Smoking

Smoking is prohibited within the venue. Please smoke at designated areas only.

■ Reception, guidance, and cleanup

We ask that each brand make its own considerations and arrangements for staff that will be needed on the day of the event, including reception staff and guidance staff. Please note that JFWO does not provide guidance staff or cleaning staff.

If you wish for individual consultation on this matter, please make an inquiry to JFWO.

■ Prohibited acts within the venue

Open flames are prohibited within the venue (If open flames are used, the on-site fire-extinguisher will be automatically activated, causing the venue to become drenched).

***This is a serious offense. In the past, a brand using open flames without prior permission has been banned from all future participation (including related events).**

Of the Application for the Rescission of Prohibited Acts, Space O does not allow use of smoke machines (diffusion).

■ Application for use of fire

JFWO handles applications. Brands must submit exhibit plans to the JFWO beforehand.

※ Please submit exhibit plans by the early March deadline.
