Important Notice:

Registering in this application will not guarantee your attendance to each show.

Please note that you will require separate invitations from each brand to attend the collection shows.

Please follow the steps below to enter and submit your company/organization information and registrant details.

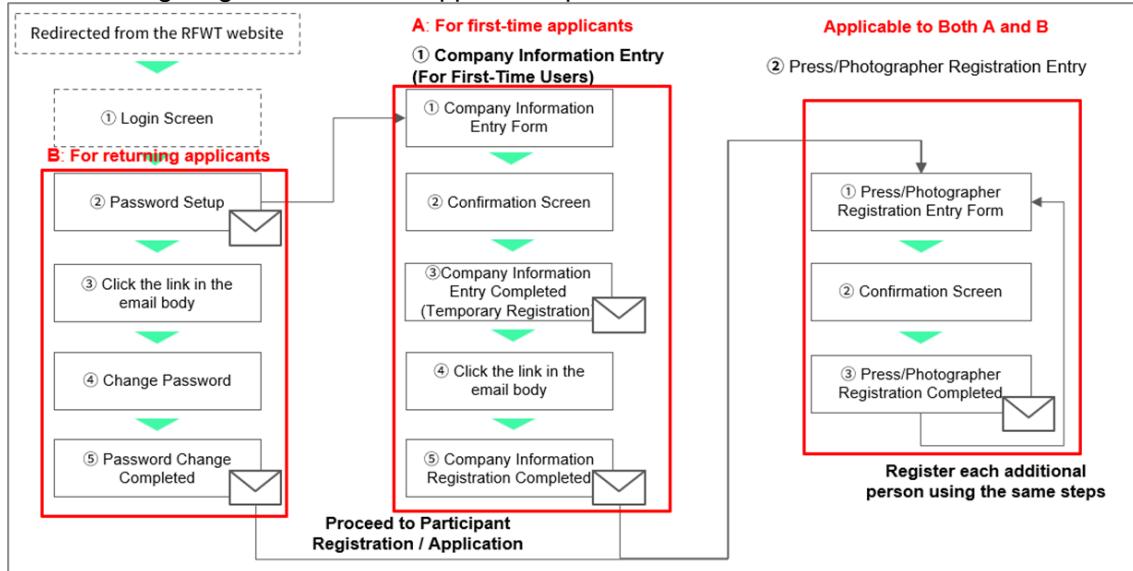

Notes:

Before sending each individual registrant, you must first register your company/organization information in this system.

Review criteria are updated periodically. Please note that even if you were approved in the past, approval is not guaranteed for this season.

【Application Procedure】

The following diagram shows the application process for the 26AW season.

Starting this season, all applicants—both first-time and returning—are required to set their own login password.

On the password issuance screen:

- **For first-time applicants**, please click “Here” under “A.”
- **For returning applicants**, enter your email address in section “B” and click “Next.”

The screenshot shows the registration page for Rakuten Fashion Week TOKYO 2026 A/W. The page includes:

- Rakuten Fashion Week TOKYO** logo and **Rakuten** link.
- Reset Password** button.
- Text: “This is the form for press/photographer registration for Rakuten Fashion Week TOKYO 2026 A/W.”
- Text: “For the 26 A/W season, all applicants—both first-time applicants and those who have previously applied—are required to set their own login password.”
- Text: “Applicants who have applied in previous seasons are requested to set a password before proceeding.”
- Text: “First-time applicants, please register your company from [here](#)” (with a red box around “here”).
- Text: “For applicants who have applied in previous seasons: please enter your email address and click “Next.””
- Form fields:
 - Registrant Email** (with a red box around the input field and a red asterisk indicating it is required).
 - B** (label for the email input field).
 - Text: “Half-width characters only: email address” (with a red box around the text).
 - Text: “※ For users in category B, please enter your email address and click “Next.”” (with a red box around the text).
- Next →** button.

【A】 (For First-Time Applicants)

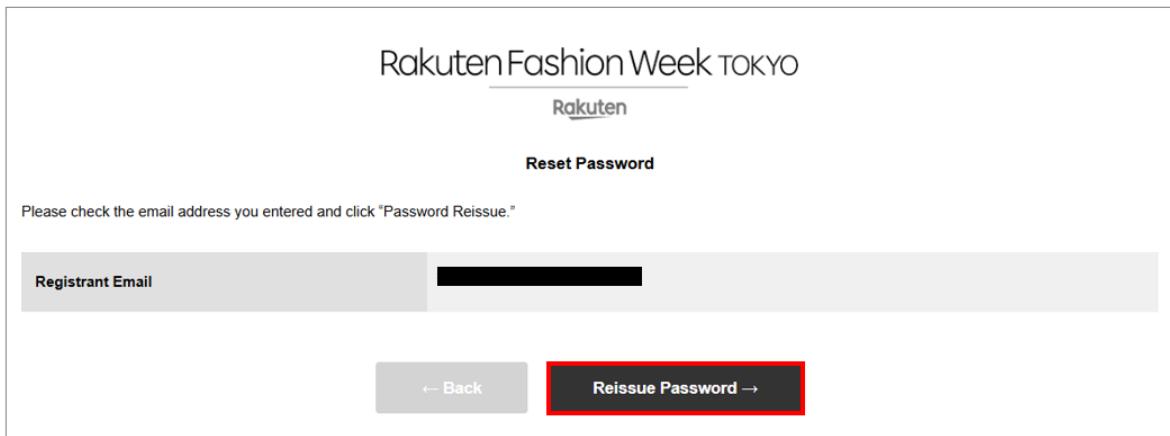

Click "Here" to move to the Company/Organization Information Registration form. Please fill in all required fields and complete your registration.

→For instructions on how to enter the information, please refer to this manual: [\[Company / Organization Information Registration\]](#).

After completing the company/organization information registration, please proceed to this manual: [\[Press / Photographer Information Registration\]](#).

【B】 (For Returning Applicants)

- 1 After entering your email address, please click "Reissue Password."

Troubleshooting

【Receiving Email sent from our system】

Q. Notification emails do not appear in my mailbox. Why ?

A. Notification email will be sent several times from jfwpress@jfw.jp. Depending on registrants' environment, emails will not appear in your mailbox.

Please make sure to check your mail settings to receive email from jfwpress@jfw.jp before registration.

- Restricting email with URL links.
- Restricting email sent from mail servers
- spam filters
- not including jfwpress@jfw.jp in domain/address designation reception

※Settings above may be set as default in Cellular phone/Smartphone.

Please refer to the following ULR to configure domain designation reception.

■ docomo

Please add this website's domain or email address to the "Registered Email Addresses / Domains" section under "Email Reception Settings."

[【docomo 公式サイト】受信／拒否設定](#)

■ au

Please add this website's domain or email address to your reception allow list.

[【au 公式サイト】受信リスト設定](#)

■ SoftBank

Please add this website's domain or email address to your permitted sender list.

[【SoftBank 公式サイト】受信許可リスト設定](#)

How to Configure Anti-Spam Filtering

Please refer to the following URL to configure your anti-spam filtering settings.

If you do not set up domain or email address-specific reception, please configure the settings below.

■ docomo

Please set "PC emails" to "Receive" under "Select senders to receive."

Please set "spoofed emails" to an option other than "Reject all" under "Select senders to receive."

[【docomo 公式サイト】受信／拒否設定](#)

■ au

Please allow the reception of emails containing URL links. (URL link / HTML email restriction)

Please enable the reception of emails sent from PCs. (Reception settings vary by carrier)

[【au 公式サイト】迷惑メールフィルター機能](#)

■ SoftBank

Please allow the reception of emails containing URL links. (URL-linked email rejection settings)

Please enable the reception of emails sent from PCs. (Receive / reject settings)

[【SoftBank 公式サイト】迷惑メールブロック設定方法](#)

If the issue is not resolved after configuring the above settings, please contact the inquiry desk for further assistance.
